Notes/Explanations: (Unless denoted below, this report reflects information as reported in the service member's military record at the time of loss.)

- The "Rank" field reflects the individual's military rank as reflected by the military service; promotions awarded subsequent to the date of loss are appropriately reflected.

- The "Returned Date" field is the date the individual's remains were returned to the United States control. This date will be reflected only after a positive identification has been made.

- The "Status" field reflects the Korean War Era classification of the individual as determined by the military branch of service. (KIA - Killed in Action; MIA - Missing in Action; POW - Prisoner of War; NBD - Non-Battle Death).

Count Total: 141

End of Report

Notes/Explanations: (Unless denoted below, this report reflects information as reported in the service member's military record at the time of loss.)

- The "Rank" field reflects the individual's military rank as reflected by the military service; promotions awarded subsequent to the date of loss are appropriately reflected.
- The "Returned Date" field is the date the individual's remains were returned to the United States control. This date will be reflected only after a positive identification has been made.
- The "Status" field reflects the Korean War Era classification of the individual as determined by the military branch of service. (KIA - Killed in Action; MIA - Missing in Action; POW - Prisoner of War; NBD - Non-Battle Death).
